

# 2016 CAPs react...

---

“I will remember all of this for the rest of my life. It is not every day you get to go sit down in a meeting with our state leaders and have discussions on the issues we are facing. It was **an experience I will remember forever.**”

- **Kyle Foster** (Crossroads Cooperative, Sidney, Neb. - Trade Rules Committee)

“I appreciate the time that the NGFA staff spent with us to coach and inform on us what NGFA is all about. I am looking forward to the rest of my time on the committee and have a desire to **continue involvement after this year** is over.”

- **Lance Adams** (Team Marketing Alliance, Moundridge, Kan. - Country Elevator Committee)

“It’s not a normal thing for us to get **face time with the people on our voting ballots** and also to get to talk to them about industry issues.”

- **Katie King** (CGB Enterprises, Mt. Vernon, Ind. - Feed Legislative and Regulatory Affairs Committee)

“It felt like a day where you were **seeing democracy** and politics in ‘full go’ mode.”

- **Tyler Scifers** (Archer Daniels Midland Co., Overland Park, Kan. - Trade Rules Committee)
